

How are we doing?

Please fill in this short questionnaire, telling us what has been good about your experience of our service and what you feel we could do better.

If you are not able to fill in this form yourself, then a family member or carer may wish to do so. If you need any help to fill in the form, please ask a member of staff.

What has *been good* about your experience?

Please give as much detail as possible

What has *not been good* about your experience?

Please give as much detail as possible

How would you mark your experience out of 6?

Please circle (6 being the best)
