

Volunteering Portal – Demo Video

Male

CHSS Volunteering Portal.

We believe our volunteers are a fundamental part of CHSS, and vital to our success. So we built this portal with you in mind. Thanks for volunteering with us!

As part of the login process, you'll receive an email with a link that will prompt you to create a password, so you can access all your information, safely and securely.

Welcome to the Volunteer Portal! It's easy to navigate and you will find all the information you need throughout your volunteering journey with CHSS.

You can access all your personal details by clicking through to your profile page.

In this section you can view your achievements and your personal journey as a volunteer.

Your progress is important to us. See the details of when you joined, what roles you've undertaken, and the training you have completed within this section. You can print it, email it, or simply save it as a PDF.

At CHSS training is essential, and we support our volunteers by investing in training for every role.

You can access records of the training you've completed...

...view your upcoming courses...

...and access supporting pre-course reading, as well as details on training venues across Scotland.

We want to hear your voice: let us know what you think of our training courses by completing an online evaluation form.

We make your personal development with CHSS a priority, so that you can make the most out of your experience.

It is important to us that you feel part of a national organisation, and here you can find out about all aspects of CHSS.

We work to make sure that you feel safe and protected when you volunteer with us. And to ensure that we meet all the legal health and safety requirements, we have developed supporting policies and procedures.

Chest Heart & Stroke Scotland

Keep up-to-date with local and national developments across Scotland by checking your team's page.

Or check recent events and news across the whole organisation here.

Share your story with us by uploading images to our Gallery.

And don't forget to add a description!

CHSS is a national organisation, and here you can get to know the people that run the charity, our dedicated Trustees.

This team of volunteers form The Council and specialised sub-groups who support CHSS, and lead its strategic direction.

Welcome aboard! As we always say, we couldn't do this without you.
